Week 10 Term 4

Date: Tuesday, 18 December 2018

Over the coming Christmas holidays the roof of our Stage 3 building will be replaced.

Preparations for the work show that there are traces of lead and asbestos sealed in the roof cavity. The materials pose no risk in their current undisturbed state.

I emphasise that there is no suggestion that any students or staff have been exposed to these materials, but their presence means that additional WorkCover precautions will be taken before and during work.

The decontamination work will occur over the holidays and a 10 metre exclusion zone will be established during this time.

This decontamination work can be disrupted and delayed by wind, rain and unforeseen issues in the roof cavity.

We are crossing all our fingers and toes that this will be a smooth run for us and all work will be finished in the holiday period.

We would like to congratulate Mrs Kristina Roberts-Prisk on her successful appointment as an Assistant Principal at Mayfield West Demonstration School.

We would also like to wish Miss Kara Bull well as she moves to Jesmond Public School as a relieving Assistant Principal for 2019. Leonie Phillips will be taking over Kara's Kindergarten class for 2019.

In addition welcome to Miss Emily Scarcella who has been appointed to our school for 2019 and has joined us this week in preparation. Miss Sarah Turner will join our Preschool as Mrs Caitlin Wilson will be teaching in the big school.

School returns on Wednesday 30<sup>th</sup> January 2019 Years 1 – 6 and Kindergarten starts on Monday 4<sup>th</sup> February 2019.

Thank you for a great year. Have a safe and happy holidays.

Matthew Bradley  
Principal (R)
