

Dear Parents/Guardians,

Expressions of Interest for the Y NSW Out of School Hours Care at Mayfield West Public School

The Y NSW prides itself on providing inclusive environments for all children and families that are fun and safe, where the students we care for can learn, make friends and build confidence.

We are excited to have the opportunity to work with the Mayfield West community as the new Out of School Hours Care (OSHC) providers.

We are currently calling for expressions of interest for families wishing to enrol at Mayfield West OSHC. To do so, please email the attached form to mayfieldwest@ymcansw.org.au

Once we receive your expression of interest, we will get back to you as soon as possible with further information about the enrolment process.

We are working with the school and the Department of Education and Training (DET) to secure all service and child care subsidy approvals to allow us to commence our service from the start of Term 1, 2020. We are yet to receive the Service Approval from the DET but as soon as we have this we will confirm our exact start date with you.

We look forward to meeting the Mayfield West community and answering any questions you may have at our information session on **Tuesday, 14 January at 6pm** in the **Mayfield West school hall**. We will have staff on hand to mind children for parents who wish to attend.

We thank you for your patience as we work to establish our OSHC service and look forward to delivering inclusive, educational and fun experiences that support your children's interests and needs.

Kind Regards
