Library News - Borrowing and Overdue Books

The library has a great selection of new books for students to borrow this term. Term 4 is always a busy time for the library and we will be beginning our annual stocktake in a few weeks. For that reason, student borrowing will finish in Week 5 (the week ending Friday, November 16).

So I would love to see students borrowing lots of books until then!

If your child has overdue loans, notices will be issued shortly. Please assist your child to locate the books and ensure that they are returned to the library promptly.

Happy reading

Mrs Troup

Stage 2 and 3 Swimming

We are now in the second week of the stage 2 and 3 swimming program at the Forum. All students have been allocated a group based on their ability. Students are engaged and already making progress with their swimming techniques and fitness. The skills that the students are gaining are life long and we are very excited that they are able to participate in this program. After interviewing a number of swimmers, we came up with a list of words to describe the feelings towards the program. Fun, tiring, exciting, learning new skills, getting fitter, new adventure, meeting new friends, something new, hungry and can't wait until next Monday. We are looking forward to the next 5 weeks of the program. Congratulations to all the swimmers on a great start.
