Week 2 Term 1

Date: Thursday, 7 February 2019

Welcome back. We trust our students and families had a relaxing and safe holiday. This year we welcome a number of new families who have enrolled in our school. If you have any questions please call into the office or have a discussion with your child's class teacher.

The staff are very excited about the many learning opportunities that our students will be provided in 2019.

The executive and classroom teachers have worked together to place your child into a class for 2019. This process takes countless hours and each student was considered for class placement in regards to their work habits, educational needs, peers and positive friendship groups. At Mayfield West Demonstration School, we have talented and committed teachers who are supporting each student to be challenged, believe in themselves and achieve their personal best.

With the New Year starting there are a few reminders for parents and students.

Before school supervision commences at 8.30 am. Please do not send your children to school before this time.

The speed limit in the School Zone is 40 km/h. Please ensure you abide by the speed limit for the safety of everyone.

Please also only park in designated parking. Do not park at the bus stop, across driveways or block access. Parking Ranger's visit the school often.

The Years 3 – 6 Swimming Carnival , will be held on Wednesday 13th February 2019. Please return money and completed permission and medical notes to the office. Every student must have a completed medical form to participate in this event.

Building maintenance is still ongoing on the Stage 3 floor. We anticipate that work will be completed by the end of February and students will be able to return to their classrooms.
